BUSINESS INTELLIGENCE REPORT
FOR A NEW PUBLISHING COMPANY

Maria João Silva
November 2019

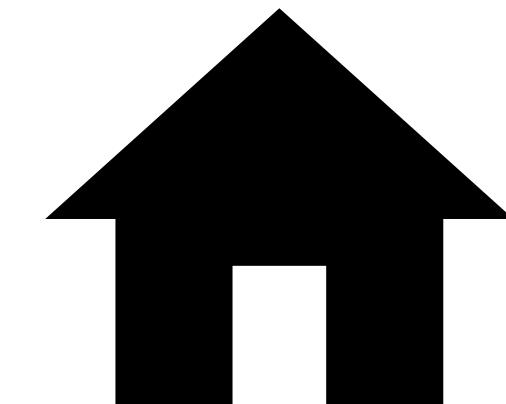

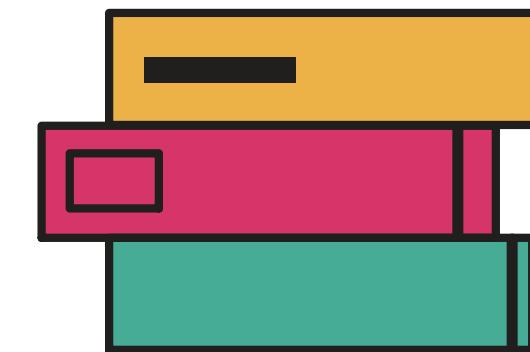

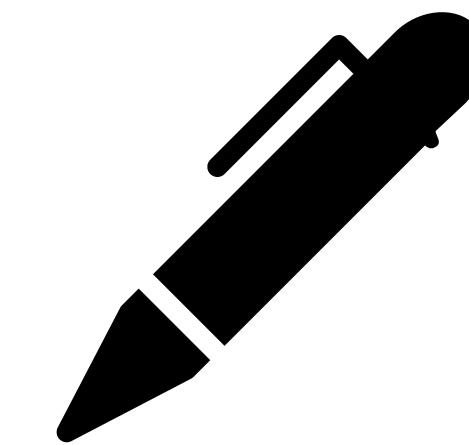

and the last sentence was not being read correctly. She stopped reading and looked at me with a confused expression. I asked her what she meant by 'not being read correctly'. She responded that the text was not being read in the correct order. I explained that the text was being read in the correct order, but the words were not being pronounced correctly. She then asked me if I could help her with this. I said yes, and we began to discuss the issue.

She then asked me if I could help her with this. I said yes, and we began to discuss the issue.

On average, Portuguese individuals buy 1.3 books/year
